**SQAR No. 26**

**PAGE 1 OF 1**

The requirement outlined below, as specified on this purchase order and subsequent amendments, forms in integral part of the purchase order between Horstman Canada Inc. and the seller. The requirement shall remain in force for the duration of this purchase order only, unless deviation is authorized in writing by Horstman Canada.

26     Safety Data Sheets

The material identified on this purchase order may be considered to be a "controlled product" as defined by Schedule II of the federal Hazardous Products Act. It is incumbent upon the seller to identify the material and arrange for its transportation in accordance with all applicable laws governing hazardous material.

Safety Data Sheets (SDS's), prepared in compliance with the Workplace Hazardous Material Information System (WHMIS) shall be supplied with the shipment. Failure to supply the appropriate SDS's may result in rejection of the material. SDS's shall be supplied in English.
