SUPPLIER QUALITY ASSURANCE REQUIREMENTS
SQAR No. 02

Page 1 of 1

The requirement outlined below, as specified on this purchase order and subsequent amendments, forms in integral part of the purchase order between Horstman Canada Inc. and the seller. The requirement shall remain in force for the duration of this purchase order only, unless deviation is authorized in writing by Horstman Canada.

Subcontractor Quality Management System

The quality Control Procedures used in the inspection of materials furnished shall comply with IATF 16949, AS 9100 or ISO 9001 Quality Management System Requirements. Should a Subcontractor have a "tailored" management system meeting some elements of ISO 9001 Quality System Requirements, the Subcontractor must seek approval of such, in writing, prior to commencing work against the applicable Contract or Purchase Order.

NOTE: Horstman Canada reserves the right to survey and audit the Subcontractor's operations.
