

HORSTMAN CANADA
SUPPLIER QUALITY ASSURANCE REQUIREMENTS
SQAR No. 6

PAGE 1 OF 1

The requirement outlined below, as specified on this purchase order and subsequent amendments, forms in integral part of the purchase order between Horstman Canada and the seller. The requirement shall remain in force for the duration of this purchase order only, unless deviation is authorized in writing by Horstman Canada.

6. Chemical And Physical Test Reports

The seller furnishing components or assemblies to Horstman Canada shall maintain a complete file of results of all chemical and/or physical test reports (i.e. tensile tests, chemical analyses, etc.) metallurgical analyses, or any other reports to substantiate that all material used in the manufacture of components or assemblies, whether purchased by the seller or of seller manufacture, meet the requirements of the drawings and/or specifications. The seller must furnish copies of these reports prior or with the shipment(s).

*Reports must come from the original source of supply.
